2. In addition to my staff's comments which are enclosed, I have requested the Area Divisions to submit their comments by the close of business 13 August; however, the executive office of the PSB has informed me that the President has set a deadline of August 15 for submission of the report. Accordingly, I am forwarding the above enclosures for your consideration at this time.

3. It was the decision of the PSB at their meeting on 7 August that the alternate members of the PSB should revise the report as necessary and submit it to the Board for final approval and forwarding to the NSC. As this report will have to be in final form on August 15, I suggest that it reach Mr. Dulles no later than the close of business August 12, to permit him to confer with the other alternates and submit the agreed upon paper to the PSB by August 14. The PSB staff has suggested that the alternates meet to consider the paper during the afternoon of August 13. I have advised Mr. Dulles' secretary that this paper is now in your hands and that you will contact him with respect thereto.
